**Chinook Environmental Services Ltd. announces failure to meet Conditions of Purchase Offer by Integrated Energy Services Inc.**

Chinook Environmental Services Ltd. announces it has failed negotiations with Integrated Energy Services Inc. in regards to the purchase offer of June 01, 2009.

According to THE AGREEMENT, Integrated Energy Services Inc. failed to meet some of the financial and legal conditions of the sale by the deadline of January 31<sup>st</sup>, 2010.

Mitch Golay, director of Chinook Environmental Services Ltd., says “This is not to mean that re-negotiations can not take place, and a new PLAN OF ARRANGEMENT drawn”.

Consequently, it will be “Business As Usual” for Chinook Environmental Services Ltd., providing quality Environmental Services at a competitive price going forth.
